At Inter Property Phuket, your property is in safe hands, entrusted to a team dedicated to excellence in management. Rest assured, with Inter Property Phuket, your investment receives the utmost care and attention it deserves.

Resort and Hotel Management

Inter Property Phuket stands as Phuket's number one property management company, boasting a track record of excellence and reliability.

With over 100 trusted clients in our portfolio, we've established ourselves as leaders in the local real estate market.

Our expertise spans a diverse range of properties, from small condominiums to full-scale hotel management. This versatility allows us to cater to various investment needs and property types across the island.

What sets us apart is our fully inclusive service everything from property maintenance to marketing we have it covered. We handle all guest communications on your behalf and provide a transparent service allowing you to monitor your bookings, rates, and availability.

We're the sole Phuket company offering guaranteed income, ensuring financial security and peace of mind.

We offer two main packages to suit different client needs.

Our Tailor-made package allows you, as our client, to specify exactly what services you require. From staffing solutions including front and back of house personnel, to maintenance and pool cleaning, as well as financial management and marketing services, we can create a customized package that perfectly aligns with your property's needs and your management preferences. This flexibility ensures you receive precisely the support your property requires, without paying for unnecessary services.

With this package you will also take full advantage of our Super Host status on airbnb, Guest Favourite on Booking.com and our Top Rated status on Agoda. We guarantee higher visibility and increased bookings, thanks to our strategic approach and dedicated client care.

Whether your investment entails a standalone villa or a multi-room hotel complex, Inter Property Phuket ensures comprehensive coverage for all your property management requirements.

Exclusive Hotel Marketing Package: Increase Your Bookings by at least 12% Guaranteed!

For hotels and resort owners who are fully staffed and primarily need marketing support, we offer our all-inclusive marketing package. This comprehensive solution leverages our prestigious standings across major booking platforms. As a Super Host on Airbnb, a Guest Favourite on Booking.com, and with Top Rated status on Agoda, we bring unparalleled visibility and credibility to your property.

Our packages also includes targeted social media campaigns, bespoke SEO strategies, and tailored optimization for your hotel or resort. This multifaceted approach ensures your property stands out in the competitive Phuket hospitality market, attracting more guests and maximizing your revenue potential

Our marketing expertise and platform privileges translate directly to increased bookings and revenue. In fact, we confidently guarantee an uptick of more than 12% in your property's performance, If we fail to boost your bookings by at least 12%, you pay nothing! This package not only boosts your online presence but also taps into our extensive network and proven strategies to maximize your property's exposure and appeal to potential guests.

At Inter Property Phuket, we believe that building long-lasting relationships is key to our success and yours. Our approach is founded on transparency and trust, ensuring that our clients always feel informed and confident in our services. We take pride in the positive feedback from our satisfied clients, which reflects our commitment to excellence and personalized care. To learn more about what our happy clients say about us and to see how we can transform your property management experience, visit us at propertymanagementphuket.com or airbnb.com/p/interproperty.
